

**Donna Chisholm**  
**Area Manager, Moray**

Donna Chisholm was appointed in November 2017 as Area Manager for Moray in Highlands and Islands Enterprise (HIE). HIE is the economic and community development agency for the North and West of Scotland. Previously she was Regional Head of Sectors, Innovation and Programmes for the agency.

Donna serves on the board of several organisations supporting innovative business growth and she is a member of Scotland's Innovation Forum. For three years to 2015 she chaired Scotland's team participating in the Regional Entrepreneurship Acceleration Programme with the Massachusetts Institute of Technology (MIT). She holds an advanced certificate for executives from Sloan School, MIT, and a master's degree in cultural policy from City University, London.
