

FEMALE vs MALE ENTREPRENEURS IN THE NETHERLANDS

The graphs show the share of respondents to the **Future of Business Survey** that selected each category when answering multiple-choice questions on entrepreneurial motivations, financing and learning. Responses were collected in December 2017 and January 2018 from business owners whose companies' digital presence includes a Facebook page.

WHY DID YOU START YOUR BUSINESS? To be more independent To pursue an interest/hobby To be more creative To have a source of income To have a work-life balance To make more money Discontented with previous job I saw a market niche No other employment Family tradition 0 10 15 20 25 30 35 Women
