NBS-OECD Workshop on National Accounts
Paris, December 9-11, 2013

Agenda

Meeting room: MZ 4 (OECD Headquarters, 2 rue André Pascal, 75016 Paris)

Monday, December 9, 10h00 – 10h30
1. Welcome and opening address

Monday, December 9, 10h30 – 12h30, and 14h30 – 18h00
2. Compilation of Input-Output Tables and Supply and Use Tables for China, with a special focus on data required for Trade in Value Added
   - Feedback from the OECD workshop on Trade in Value-Added (TiVA) and extensions to TiVA: Data requirements and future direction of work, including extensions to investment, jobs, and foreign affiliate trade statistics: Nadim Ahmad (OECD)
   - Presentation by Ms. Cuihong Yang (Professor, Academy of Mathematics and Systems Science, CAS) on China’s Input-Output Tables (coordinated by MOFCOM) used in the OECD-WTO database
   - Presentation by Chen Jie and Li Huaju (NBS China) on present status of Chinese Input-Output Tables and Supply and Use Tables (IOT/SUT)
   - General discussion on ways to enhance Chinese IOT/SUT and to enhance China-OECD cooperation in the field of TiVA.

Tuesday, December 10, 09h30 – 12h30
3. Asymmetries in bilateral trade flow data
   - Presentation by Norihiko Yamano/Zhi Wang (OECD-USITC) on problems related to China’s asymmetries in trade flows
   - Presentation by Chen Jie (NBS China) on further processing of data on trade flows in IOT/SUT
   - General discussion on ways, including data exchange, to limit asymmetries in trade flows and to improve the reconciliation of China’s bilateral trade data in the TiVA database.

Tuesday, December 10, 14h30 – 18h00
4. The implementation of the 2008 SNA, with a special focus on FISIM and Research & Development
   - Presentation by Mr. Peter van de Ven (OECD) on the implementation of SNA 2008, including results of the discussions at the Advisory Expert Group on National Accounts
   - Presentation by Mr. Nadim Ahmad (OECD) on latest developments regarding the calculation of FISIM
   - Presentation by Wang Yixuan (NBS China) on future plans regarding the implementation of SNA 2008
   - General discussion on way forward
Wednesday, December 11, 09h30 – 12h30

5. Plans in relation to the compilation of institutional sector accounts, including non-financial and financial accounts (and balance sheets) by sector

- Presentation by Mr. Peter van de Ven (OECD) on latest developments in the area of institutional sector accounts (among which the G20 Data Gaps Initiative)
- Presentation by Wang Yixuan (NBS China) on latest development and future plans regarding the compilation of institutional sector accounts, including delineation of responsibilities between NBS China and the Central Bank of China
- Presentation by Xu Yating (NBS China) on the practice and questions of Flow of Funds table compilation
- General discussion on the way forward

Wednesday, December 11, 14h30 – 16h30

6. Possible ways to improve the collection of data on China by the OECD

- Presentation by Ms. Jennifer Ribarsky (OECD) on collection of macro-economic data by OECD more generally, and Chinese data in particular
- General discussion on ways to improve future collection of Chinese macro-economic data

7. Round-up of the workshop

- Discussion on the outcome of the workshop and future cooperation
