Education

University College London

Ph.D., Economics, 2005

M.Sc., Economics, 1999 (with Distinction)

University of Siena, Italy

B.Sc., Economics, 1998 (cum Laude and Prize)

Professional experience

Organisation for Economic Co-operation and Development

Head of Division September 2017 - present

Head of Unit/Senior Economist, 2009-2017

London School of Economics, Centre for Economic Performance

Research Associate, 2009-

Research Fellow, 2006-2009

Organisation for Economic Co-operation and Development

Economist, Young Professional Program, 2005.

Centre for Research into Business Activity (CeRiBA)

Research Fellow, September 2001 – February 2007

Other Appointments

Conseil National de La Productivité, (CNP), France

Membre, 2018 - present

National Productivity Board, Conselho Para a Produtividade (CPP), Portugal

Consulting Board Member, 2018 - present

Member of the Editorial Board, *OECD Journal: Economic Studies* (2010-2016)

Member of the academic experts panel on policy evaluation organised by UK Department for Business, Innovation and Skills on "Regional Growth Fund: Scoping Impact and Economic Evaluation Options"(2013)

Member of the Eu Commission Expert Group on Impacts of R&D Tax Incentives (2009)

Publications in peer reviewed journals

- "Some Causal Effects of an Industrial Policy." *American Economic Review*, 2019, 109 (1): 48-85 (with R. Martin, H. G. Overman, and J. Van Reenen).

2016: Economic Geography – Bocconi University – Milan; Slow Growth in Productivity – Bookings Institution– Washington DC; The Future of Productivity – Luxembourg; Comparative Studies of Emergine Economies – London; 5th Regional SME Policy Network – Singapor; Big Innovation Centre Meetings on Productivity and Research – London; Understanding the Micro Channels Affecting Growth – Brussels; Skills Development Scotland; Future of Productivity – MIT – Boston; Presentation of STI Scoreboard 2015 – London.

2015: guest lecture, New Zealand Treasury; Data Science for the digital Economy – Alan Turing Institute – London; 1st Workshop of the OECD-NESTI Micro-data Project– Oslo; Future Symposium on the Future of Productivity – BIS – London; What Drives the Dynamics of Business Growth? - 62nd Economic Policy Panel – Luxembourg; International Scene-Setting on the Dynamics of Micro-enterprise – Brussels; The Shock of the New Globalisation – Siena; Understanding the Great Recession – Bank of England – London; The Future of Productivity – Central Bank of Netherlands – Amsterdam; The Future of Productivity: Emerging Policy Issues – Mexico City; Is it better to have a job today or technology tomorrow – Trento; Work on Policy Evaluation – University of Bordeaux; BIC Roundtable – Intangible Gold – London; DG- Growth at the European Commission; Brussels; Reserve Bank Research Conference on Small Business and Entrepreneurship – Australia; Big Innovation Centre Research Board at Ergon House – London; IPO Seminar on Enterprise Dynamics - London

Conference and Seminar Organizer

- CIIE Workshop on Industrial Policy
- Annual Conferences of the Global Forum on Productivity (2016-2019)
- Conference on implications of the digital transformation for the business sector, 8-9 November 2018, London <https://www.oecd.org/industry/ind/conference-implications-of-digital-transformation-for-the-business-sector.htm>
- Joint OECD-NBER Conference on Productivity Growth and Innovation in the Long Run 2014 (joint with Nicholas Bloom) <https://www.oecd.org/global-forum-productivity/events/productivity-growth-and-innovation-in-the-long-run.htm>
- “Understanding productivity growth – new insights, new questions”, Joint workshop of the Committee on Industry, Innovation and Entrepreneurship (CIIE) and the Working Party on Industry Analysis (WPIA) October 2013 <https://www.oecd.org/global-forum-productivity/events/understandingproductivitygrowthnewinsightsnewquestions.htm>
- OECD Workshop on Productivity, 5-6 November 2012, Paris https://www.oecd.org/sdd/productivity-stats/Productivityworkshop2012_agenda.pdf
- March 2010: Workshop on the role of entrepreneurship in fostering innovation and growth, OECD, Paris.
- September 2009-2013: STI Seminar Series, OECD, Paris.
- January 2009: Workshop on Public Support to Innovation, OECD, Paris
- September 2007- September 2009: Productivity, Innovation and Intellectual Property Rights Seminar Series, CEP, LSE
- September 2006: Special session on globalization, CAED conference, Chicago (joint with Dirk Pilat)
- November 2005: ‘Workshop on the Globalization of Production: Impacts on Employment, Productivity and Economic Growth’, OECD, Paris (joint with Dirk Pilat)
- September 2005: Special session on Offshoring CAED conference, Cardiff

Professional Committees

- Member of the Scientific committee for the 2019 CONCORDi Conference, Seville.
- Member of the Scientific committee for the 2017; 2012 ad 2010 **Conference** on the Comparative Analysis of Enterprise Data

Research Grants

- ESRC First Grant: ‘Attracting large multinational corporations with subsidies. Is it money well spent?’, Value: £399,698, 2009-2012.

- EU FP7 'SCIFI-GLOW - Science, Innovation, Firms and markets in a Globalized World' (June 2008-2011). (coordinator for the LSE €86,000)
- 'New evidence on trade and firms' performance from an unexplored microlevel matched data source', British Academy Small Grant 2006-07 (£7,492)
- 'Understanding IT, Organizational Change and Productivity Growth using CIS4' (with J.E. Haskel) Department of Trade and Industry 2007 (£10,780)
- 'Longitudinal Micro Data Study of Selected DTI Business Support Schemes' (with R. Martin; H. Overman and J. Van Reenen) (£99,528)
- 'Does global size matter for the productivity of MNEs' (with R. Martin and M. Muuls) Department of Trade and Industry (£10,000)
- 'Design and Company Performance: Evidence from the Community Innovation Survey' (with G. Crespi, M. Mereda and J.E. Haskel) Department of Trade and Industry 2005 (£10,000)

Selected Awards, Honours and Fellowships

- 2019 40 over 40s Women in Competition Policy
- 2006 'British Academy Postdoctoral Fellowship' (£242,005)
- 2006 'Leverhulme Early Career Fellowship' (declined)
- 2005 - 2006 'ESRC Postdoctoral Fellowship', awarded by the Economic and Social Research Council. (£29,996)
- 2000 to 2003 'ESRC Research Studentship', awarded by the Economic and Social Research Council
- 2002 'Junior Fellowships Awards', awarded by the Royal Economic Society
- 2001 'Honourable mention' in connection with the Outstanding Teaching Assistant Award, Department of Economics, University College London
- 2000 - 2001 'Scharlieb Trust Studentship in Social Sciences', postgraduate studentship awarded by the University of London
- 1999 - 2000 'British Chevening Scholarship', awarded by the British Council
- 1999 'Premio di Laurea Andrea Sclavi' Università degli Studi di Siena, prize for being the best graduate in Economics for the academic year 1997-1998 at the University of Siena

Other Professional Experience

- Consultant to the OECD 2006-2008 for cross-country microdata projects on offshoring and on innovation.
- Consultant to the Welsh Assembly for the evaluation of the impact of Regional Selective Assistance in Wales, 2007.
- Consultant to DTI for a longitudinal micro data study of selected business support programs, 2006.
- Research Analyst, National Economic Research Associates (NERA) Madrid, June-September 1998
- Research Analyst, Oxford Economic Research Associates, (OXERA), Oxford, September – December 1997

Teaching Experience

Graduate: Lecturer 'Quantitative Techniques for Regulation' MSc in Economic Regulation and Competition, City University, London, Autumn 2001

Undergraduate: Visiting Lecturer 'Labour Economics' University of Cambridge, January 2010.
Lecturer 'Advanced Macroeconomics' University of Siena September 2000 – June 2003.

Teaching Assistant. 'Quantitative Economics and Econometrics' University College London, September 2000 – June 2003

Other: 'Economics of Productivity', policy training for UK Treasury officials CEP, LSE, 2008

Refereeing

Quarterly Journal of Economics; Review of Economics and Statistics; Economic Journal; Journal of Public Economics; Journal of Industrial Economics; Journal of Economic Growth; Canadian Journal of Economics; Journal of Law, Economics, and Organization; Research Policy; Journal of Population Economics; Journal of International Business Studies; Journal of Economic Geography; Journal of Productivity Analysis; Economica; Economics of Innovation and New Technology; International Tax and Public Finance.

Certificates

OECD/Wharton Emerging leaders programme (May 2015)

Languages

Italian (mother tongue); English (fluent); French (fluent); Spanish (fluent); German (good)
