Transformational Technologies and Innovation

---

**2. Please give a brief description of your conference and explain its objective:**

---

**3. Briefly explain how your conference proposal relates to this Research Theme:**

---

**4. Please explain how your conference proposal will influence policy makers in the development of their national and international agro-food, fisheries or forestry policies:**

---

**5. Please give a non-scientific explanation of how you believe your conference will benefit society:**

---

**6. Proposed dates of conference:**

---

**7. Proposed venue:**

---

**8. Estimated number of participants (for information only):**

---

## **Application Form for Conference/Workshop Sponsorship**

---

**9. List of Proposed Speakers to be funded:**

The list of Proposed Speakers to be funded is at the end of this form.

---

**10. Proposed conference programme:**

---

**11. Please give details of other sponsorship available for conference (for information only):**

---

**12. Please explain how you intend to publish the conference proceedings (please refer to the Conference Sponsorship Programme 2017: Application Guidelines and Conditions for further information):**

---

**13. In addition to the publication of the proceedings for scientific purposes, please explain how you anticipate disseminating the lessons learned at the conference more broadly to policy makers and to the general public, noting that a 2-3 page Policy Brief summarising the major policy-relevant conclusions is required:**

---

**14. Please give the full contact details of the Organiser(s) (i.e. name, address, e-mail address, telephone and fax numbers).**

Name	Nationality	Email	Address	Tel

CVs to be attached.

---

## **Application Form for Conference/Workshop Sponsorship**

**15. What is your previous experience of organising conferences, workshops or other significant meetings? Please list the most important meetings and say how you went about organising them:**

---

**16. Have there been workshops or conferences on similar topics recently? If so, please give details:**

---

**17. Is your event one of a series of regular conferences? If so, please explain why this particular session should benefit from funding from the OECD Co-operative Research Programme. Is your conference part of a larger conference? If so, please explain how you will ensure that it will be clearly identified as an OECD-CRP sponsored event.**

---

**18. Have you contacted the relevant Theme Co-ordinator(s) to submitting your application to the programme?**

---

**19. How did you find out about the Co-operative Research Programme?**

---

**I confirm that I have read and understood the Conference Sponsorship Programme: Application Guidelines and Conditions.**
