

THE OECD NETWORK ON FISCAL RELATIONS...

- Is the premier international body devoted to improving fiscal relations across levels of government
- Follows a work plan set by member countries to meet their needs
- Helps members answer practical questions about fiscal decentralisation by undertaking cross-country policy analysis

Did you know?

Sub-central governments represent 32% of public spending, 15% of tax revenue and 65% of public investment across the OECD.

THE NETWORK BENEFITS ITS MEMBERS BY...

- Sharing best practices
- Providing international comparisons
- Coordinating the annual high-level meeting in Paris
- Maintaining a comprehensive decentralisation database
- Undertaking cross-country studies
- Publishing the flagship *Fiscal Federalism* series

Why become a Network member?

- Help set the Network's research direction and work plan
- Learn about best practices from senior officials working on fiscal decentralisation
- Be the first to obtain early results of analytical studies
- Receive useful data on other countries' successful approaches to fiscal relations, conveniently presented in accessible formats
