## ABOUT

I am 29, coming from the Czech Republic, but currently living in Belgium. For the past 10 years, I have been active in the fields of education and youth, thanks to my engagement in the Erasmus Student Network and The Duke of Edinburgh's International Award. I now work as a Project Manager for Future of Work and STEM at CSR Europe.

“Invest in education, inclusive education. Make sure that every young girl and boy has access to it.”
