

**CORRIGENDA - 11 MAY 2009**

**Page 64**

*Figure 10.5 Regional GDP growth: Asia and Oceania*

A note is missing. It should read: *Note:* Australia, TL2 regions only.

**Page 115**

*Figure 19.3 Gini index of TL3 regional participation rates*

The scale of the X-axis should be displayed as [0, 0.12]

**Page 135**

*Figure 24.3 Change in the GDP share of the OECD due to change in employment: Asia and Oceania*

The original figure was replaced with the figure below.

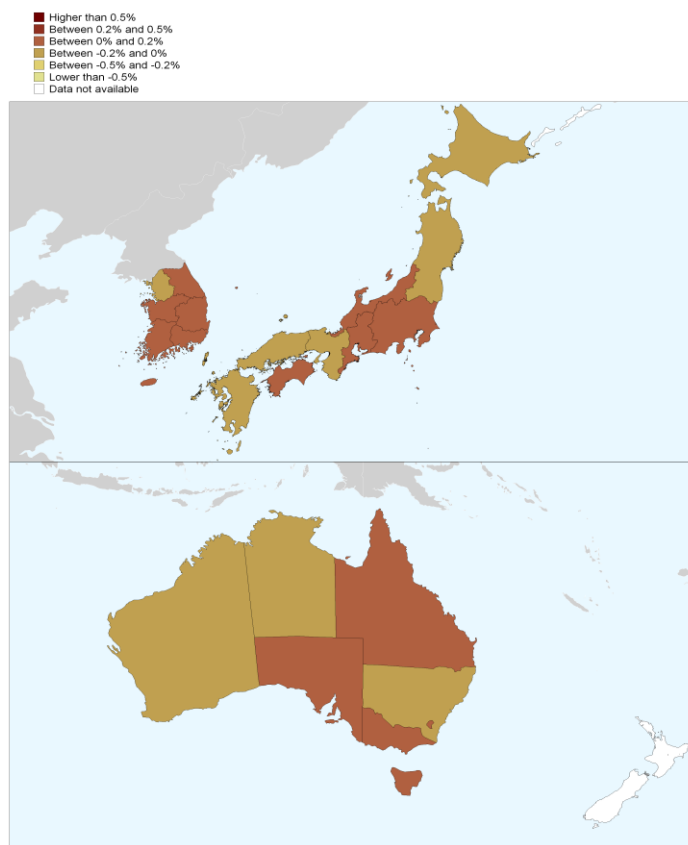

Figure 25.3 Regional age-adjusted mortality rates: Asia and Oceania

The original figure was replaced with the figure below.

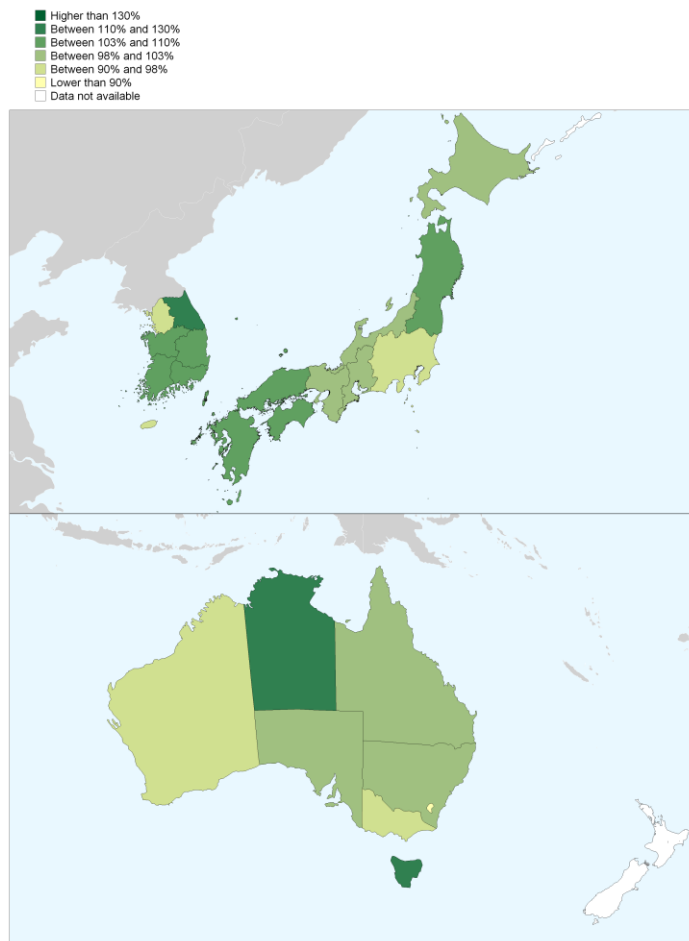

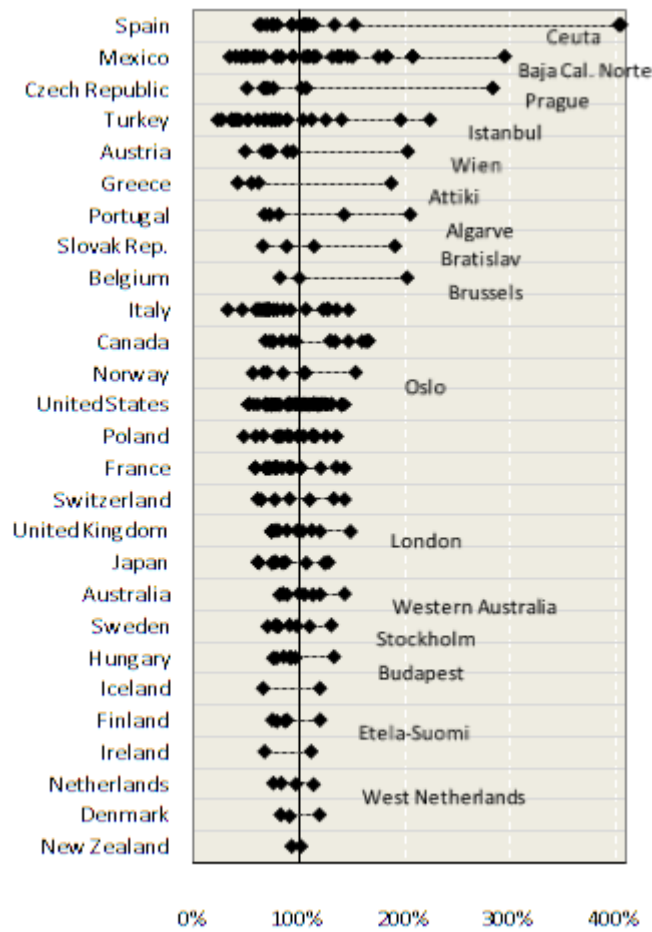

Figure 27.1 Range in TL2 regional crimes against property per 100 inhabitants, 2005

In this figure, the x axis scale should be displayed in % (0, 100, 200, 300, 400) as shown below. Also, a note has been added.

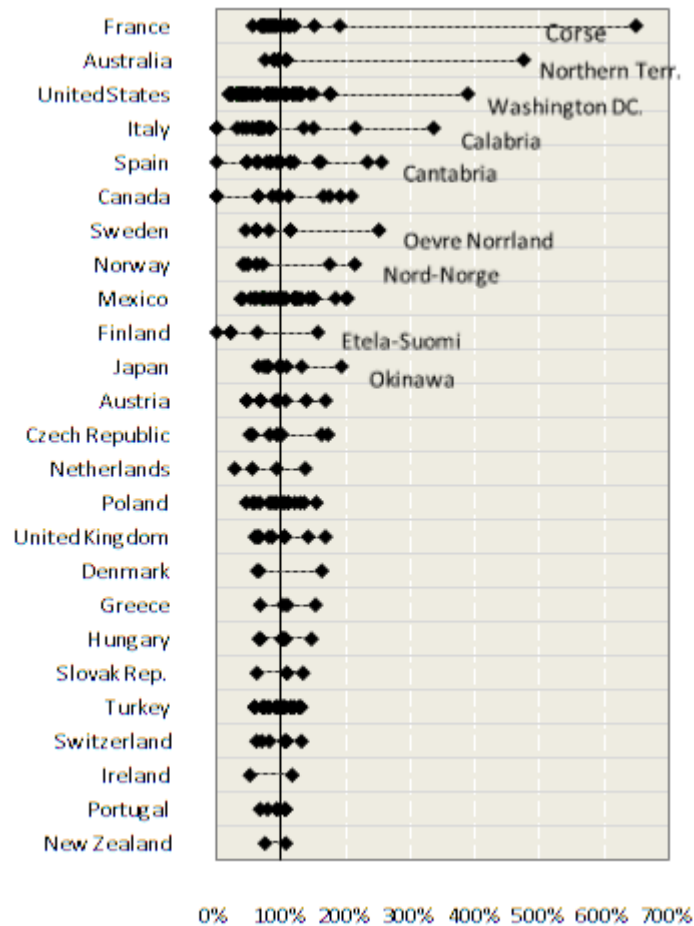

Note: As a percentage of country average (country average = 100)

Figure notes

A note for the United Kingdom is missing. It should read Figure 28.2: Available data: United Kingdom, 2004.

Figure 28.2 Range in TL2 regional murders per 100 000 inhabitants, 2005

In this figure, the x axis scale should be displayed in % (0, 100, 200, 300, 400) as shown below. Also, a note has been added.

Note: As a percentage of country average (country average = 100)
