**Page 23, last sentence should read:**

In April 2011, Grupo Televisa, which has a 70% share of the Mexican **free-to-air** TV market, decided to purchase a 50% stake in Iusacell (pending regulatory approval).

**Page 86, second paragraph, second sentence should read:**

**Cofeco's** chairman has also repeatedly requested Congress to modify the Federal Radio and Television Law to include a must-offer obligation for FtA channels for free, arguing that this will result in greater competition in the pay-TV sector, lower prices and higher penetration.
