Corrigendum

Page 18:

Figure 1.1. was replaced with another image that better represents the information mentioned in the previous paragraphs.

Page 38:

Figure 1.23. was replaced with Figure 1.24.

Page 39:

Figure 1.24. was removed.

Page 68:

The original report states “Based on a national project for raising public awareness and community-based risk management of natural disasters, Hai Phong developed an action plan for 2013-2015 (Box 2.8). However, Box 2.8 should actually be Box 2.7.

Page 73:

Bandung smart city was used as an example in Box 2.8 but this was not indicated this in the paragraph before the box. Therefore, the phrase below was added to the paragraph:

.... similar to Bandung’s implementation of their smart city initiatives (Box 2.8).
