### Corrigendum

Page 40, the sentence *“More recently, as part of its economic recovery plan (the “Plan de Relance”), the French government has granted EUR 100 million to support the development of the Nuward basic design.”* should read: *“More recently, as part of its economic recovery plan (the “Plan de Relance”), the French government has granted EUR 50 million to support the development of the Nuward basic design.”*
