

Last update : February 2022

Contract awards

For procurement contracts exceeding €150 000, the following information is published on the OECD website: the title, the nature and subject of the contract, the commencement and end dates of the contract, the name and locality of the supplier or service provider and, unless otherwise decided in exceptional cases, the amount of the contract. For procurement contracts not exceeding €150 000, such information about the contractor may be disclosed or published on a case by case basis.
