About the Launch

How prepared are regions and cities in OECD countries to face the current crisis and the other megatrends affecting our economies and societies? OECD Regions and Cities at a Glance 2020 provides a comprehensive assessment of how regions and cities are progressing in their efforts to build stronger, more sustainable and more resilient economies and societies.

About us

The OECD's Centre for Entrepreneurship, SMEs, Regions and Cities (CFE) provides comparative statistics, analysis and capacity building for local and national actors to work together to unleash the potential of entrepreneurs and small and medium-sized enterprises, promote inclusive and sustainable regions and cities, boost local job creation, and support sound tourism policies.
