

California to get high-speed rail funds 2 states rejected

WASHINGTON — California's high-speed rail plan will receive up to \$624 million in additional federal funds, Transportation Department officials announced Thursday.

NoRTEC Project Test

- **Is there a need (demand driven)?**
- **Is there job opportunity (new or retained)?**
- **Is there regional economic benefit?**
- **Is it tied to an industry cluster or innovation?**
- **Does it improve or protect the environment (i.e. reduce greenhouse gas emissions, energy efficiency, etc.)?**
- **Is it transformational or sustainable?**

Paesano Ristorante Thank You, we are happy to have great customers like you :)

National Gains

Capturing the Talent Dividend

Strategy Buckets:

 Talent

Re-engage adults with some college, no 4-year degree

Increase transfer rate of students in 2-year institutions to 4-year institutions

Retain current students for timely completion

Increase college-going behavior of high school students
