I confirm that my institution endorses the OECD Principles on Water Governance and wishes to join the Global Coalition for Good Water Governance.

To contribute to the effort of the Global Coalition, my institution would like to (check relevant boxes):

- [ ] Share its achievements and good practices on water governance
- [ ] Disseminate the OECD Principles on Water Governance to its constituencies, members and networks
- [ ] Report back on how it will use the Principles to guide its activities and practices
- [ ] Other [specify]:

* Please print, fill in and return the form signed by the highest or a high-level representative on behalf of the institution to water.governance@oecd.org
