

Acknowledgements

This volume of the Development Centre's thematic flagships, *Business for Development 2007*, was authored by a team comprising Federico Bonaglia (Chapters 2 and 3), Juan De Laiglesia (Focus article 6), Kiichiro Fukasaku (Introduction and Overview and Focus article 5), Andrea Goldstein (Chapter 2 and Focus articles 7 and 8), Céline Kauffmann (Focus articles 4, 7 and 8), Charles Oman (Chapter 4), Nicolas Pinaud (Focus article 2) and Lucia Wegner (Focus articles 4 and 8).

The book also includes contributions by many colleagues and collaborators from both inside and outside the Organisation: for Chapter 1 (Carlo Pietrobelli, University of Rome); Chapter 3 (Masato Hayashikawa, OECD Development Co-operation Directorate), Chapter 4 (Daniel Blume, OECD Directorate for Financial and Enterprise Affairs), Focus article 1 (Michael Laird, OECD Development Co-operation Directorate), Focus article 3 (Marie-Florence Estimé, OECD Centre for Entrepreneurship, SMEs and Local Development), Focus article 5 (Orsetta Causa, OECD Economics Department), and Focus article 8 (Boyan Belev, Centre for the Study of Democracy, Sofia; Mihoub Mezouaghi, Agence Française de Développement, Paris; and Edouard Pérard, Sciences Po, Paris). Background papers for Chapter 2 were co-authored by Victor Abiola, Kristoffer Hvidsteen and Uma Subramanian (all at FIAS, World Bank Group, Washington) and Ted Tschang (Singapore Management University).

We extend our acknowledgements to external and internal reviewers, notably Marcos Bonturi (OECD Directorate for Science, Technology and Industry), as well as Louka Katseli and Javier Santiso of the OECD Development Centre.

We would also like to thank Tilman Altenburg (German Development Institute), Léonidas Hitimana (OECD Sahel and West Africa Club) and Karim Hussein (IFAD) for useful comments on earlier drafts.

Financial support from a number of OECD member countries is gratefully acknowledged.

The volume has been edited by Kiichiro Fukasaku, with the assistance of Federico Bonaglia, Patrizia Labella (OECD Development Centre) and Jane Marshall (consultant). Colm Foy, Kathryn Bailey and Vanda Legrandgérard (OECD Development Centre's Publications and Media Unit) have turned the manuscript into the publication.
