Source: OECD-DAC aid activity database - Creditor Reporting System (CRS)

Notes: In the interest of representing as complete a data set as possible, amounts shown are on a commitments basis. All amounts are in USD million (2012) constant prices and exchange rates. As a DAC member, data are included for the EU Institutions. Trade-related adjustment became separately identifiable as from 2007 flows. Data on Arab donors is representative only for Arab countries and institutions reporting to the CRS. ".." represents data not available or nil.

AFESD: Arab Fund for Economic and Social Development

KFAED: Kuwait Fund for Arab Economic Development

BADEA: Arab Bank for Economic Development in Africa.

\* This table reflects concessional flows. However, non-concessional (and short-term financing) are important parts of OFID's and IsDB's portfolios.
