**Accommodation**

We have obtained a negotiated conference rate with the ANA Hotel, Tokyo for participants of the Roundtable. Please note that it is the responsibility of each participant to contact the hotel directly in order to make his or her room reservation. The OECD and ADBI are not able to make these reservations for you.

If you choose to stay at the ANA, please complete the Hotel Reservation Form (attached to your invitation) and send it directly to the ANA Hotel as indicated to obtain the negotiated rate. It is important to make your reservations by **3 October at the latest**, as after this date, the special rate for conference participants will no longer be available. Please note that if you have an early arrival into Tokyo, you can obtain early check-in at the hotel for half of the room charge for one night.

If you choose not to stay at the designated hotel, please inform Mrs. Morven Alexander-Drane, OECD (email: [morven.alexander@oecd.org](mailto:morven.alexander@oecd.org), fax: +33-1-4524-1833) of the hotel where you will be staying.

### **Visa for Japan and Insurance**

You are advised to contact your local Japanese embassy or consulate to verify if you require a visa to enter Japan. If required, please complete the Passport Information Form (attached to your invitation) in order to receive the necessary Letter of Guarantee from the Japanese authorities, by **Thursday 14 September** at the latest.

Participants are advised to have adequate medical and travel insurance to cover their visit to Japan.

### **Airport transfers to and from the hotel**

From the Narita Airport, you should take the Airport Limousine Bus service in front of the passenger terminal after passing through customs. An electronic board will be posted which shows the information on the limousine bus that will drop you off directly at the ANA Hotel, or you can enquire of any of the airport staff (who speak English). If you arrive at an inconvenient time for connection with the direct bus, you should board one of the frequent public buses that take you to the Tokyo City Air Terminal (in downtown Tokyo) and from there, take a taxi to your hotel. Bus fare: Yen 3,000.

Please note: it is not advisable to take a taxi all the way from Narita Airport, as it is a 90-minute journey by car and is very expensive.

### **How to get from your hotel to ADBI**

The ADBI is within short walking distance of the ANA Hotel. For your information, a map of the Kasumigaseki area indicating the Kasumigaseki building and the ANA Hotel can be found at the end of this note.
