

Jerry Velasquez

Senior Regional Coordinator for UN/ISDR Asia & Pacific

Jerry previously worked for the United Nations Centre for Regional Development (UNCRD), the United Nations University (UNU), the Global Environment Information Centre (GEIC), the UNEP Division of Global Environment Facility Coordination (UNEP/DGEF), and the UNEP Division of Environmental Law and Conventions (UNEP/DELIC).

His published work includes edited books, journal articles, interactive software, and policy briefs on MEA synergies, environmental governance and social vulnerability. His latest book is titled "Innovative Communities: People Centered Approaches for Environmental Management in Asia and the Pacific" published by the UNU Press in December 2005.
