Future work orientations

unite for
children

What's the summary session about

- Proposals for future work
- Hearing from the quiet ones (you know who you are)
- Assessing the consensus on what the challenges are?
- ... and how 'jointly' we can address these!

Some 'facts' and questions

- Well being measures are not providing 'good news stories'
- All countries have things to do
- Poverty remains a stubborn challenge
- Families are changing

- Variation in policy efforts is an opportunity to learn

- Family structure policies are:
 - Policies are prevention and treatment? Just treatment?
 - Primarily cash based?
 - Effective? Predictable (incentivizing... work, dissolution?)...

Are welfare systems fit for purpose?

- What do we know?
- Determinants (+tive and –tive) of family change
- What family change means for well-being

- Defining the goals of different parts of the SP systems

- Better / more policy details

- Understanding (temporal) trade-offs in outcomes
- Churn and persistence in well-being experiences

- Analysis of fit for purpose

Thanks!
