We would be grateful if you could provide us with the information below and answer the questions in each box.

Involvement in OECD LEED events

- 1) Have you participated in an OECD-LEED event? If so, which one?
- 2) If you have participated in an OECD LEED event, please give us your comments and feedback on the event attended and its usefulness to you.
- 3) Do you have any suggestions on the ways in which the OECD-LEED programme could maximise its usefulness in your country?

Your experience, expertise and interest in Local Development

- 4) Please give us a brief description of your involvement, expertise and/or interest in entrepreneurship/SME development, local economic development, job creation and/or social cohesion in your country.
- 5) What are the areas you think the OECD LEED Programme could most contribute to in your country? Please answer with reference to best practice development and capacity building needs in your area of work/expertise.
- 6) Are you aware of best practices in your country that could be usefully shared with other CEI countries? Please give some examples.
- 7) With reference to the attached information about the Local Development Network (LDN), would you be interested to become a member and what would you expect from LDN membership?

Your experience in networks and partnerships

- 8) Are you (or your institution) already part of a national or international network? If so, which one(s)? What are the objectives of the network(s)?
- 9) Are you involved in any form of partnership at the local level? If so, what is the objective of your partnership?

Your participation at the LDN First Assembly Meeting
