

FINANCING CLIMATE FUTURES: RETHINKING INFRASTRUCTURE
INVESTING IN LOW-EMISSION, RESILIENT DEVELOPMENT

HIGH-LEVEL PANEL
MONDAY 18 MARCH 2019
12:00 PM TO 12:50 PM
GLOBAL SOLUTIONS SUMMIT, BERLIN

The OECD, UN Environment and the World Bank Group have joined forces under the “Financing Climate Futures: Rethinking Infrastructure” initiative to lay out a transformative agenda for governments that is aimed at fundamentally re-aligning incentives and finances towards meeting global climate and development goals. The initiative is supported by the German Federal Ministry for the Environment, Nature Conservation and Nuclear Safety.

This high-level panel will bring together leading experts to discuss how to work together to align financial flows with a low-emission, resilient future and effectively implement Article 2.1(c) of the Paris Agreement.
