

SBO-Health Joint Network on the Fiscal Sustainability of Health Systems

Proposed Next Steps

Geert van Maanen, Chair

Secretary General of the Ministry of Health, Netherlands

2nd Annual Meeting of the Joint Network
25-26 March 2013

Validation of the analytical framework proposed?

1. Understanding health expenditures
2. Governance of health expenditures
3. Main expenditure management tools
4. Financing health expenditure

Proposed outputs of the Joint Network

➤ **Build a long lasting network**

- ✓ To help policy makers find solutions to ensure fiscal sustainability of their health care system

➤ **Carry out policy analysis**

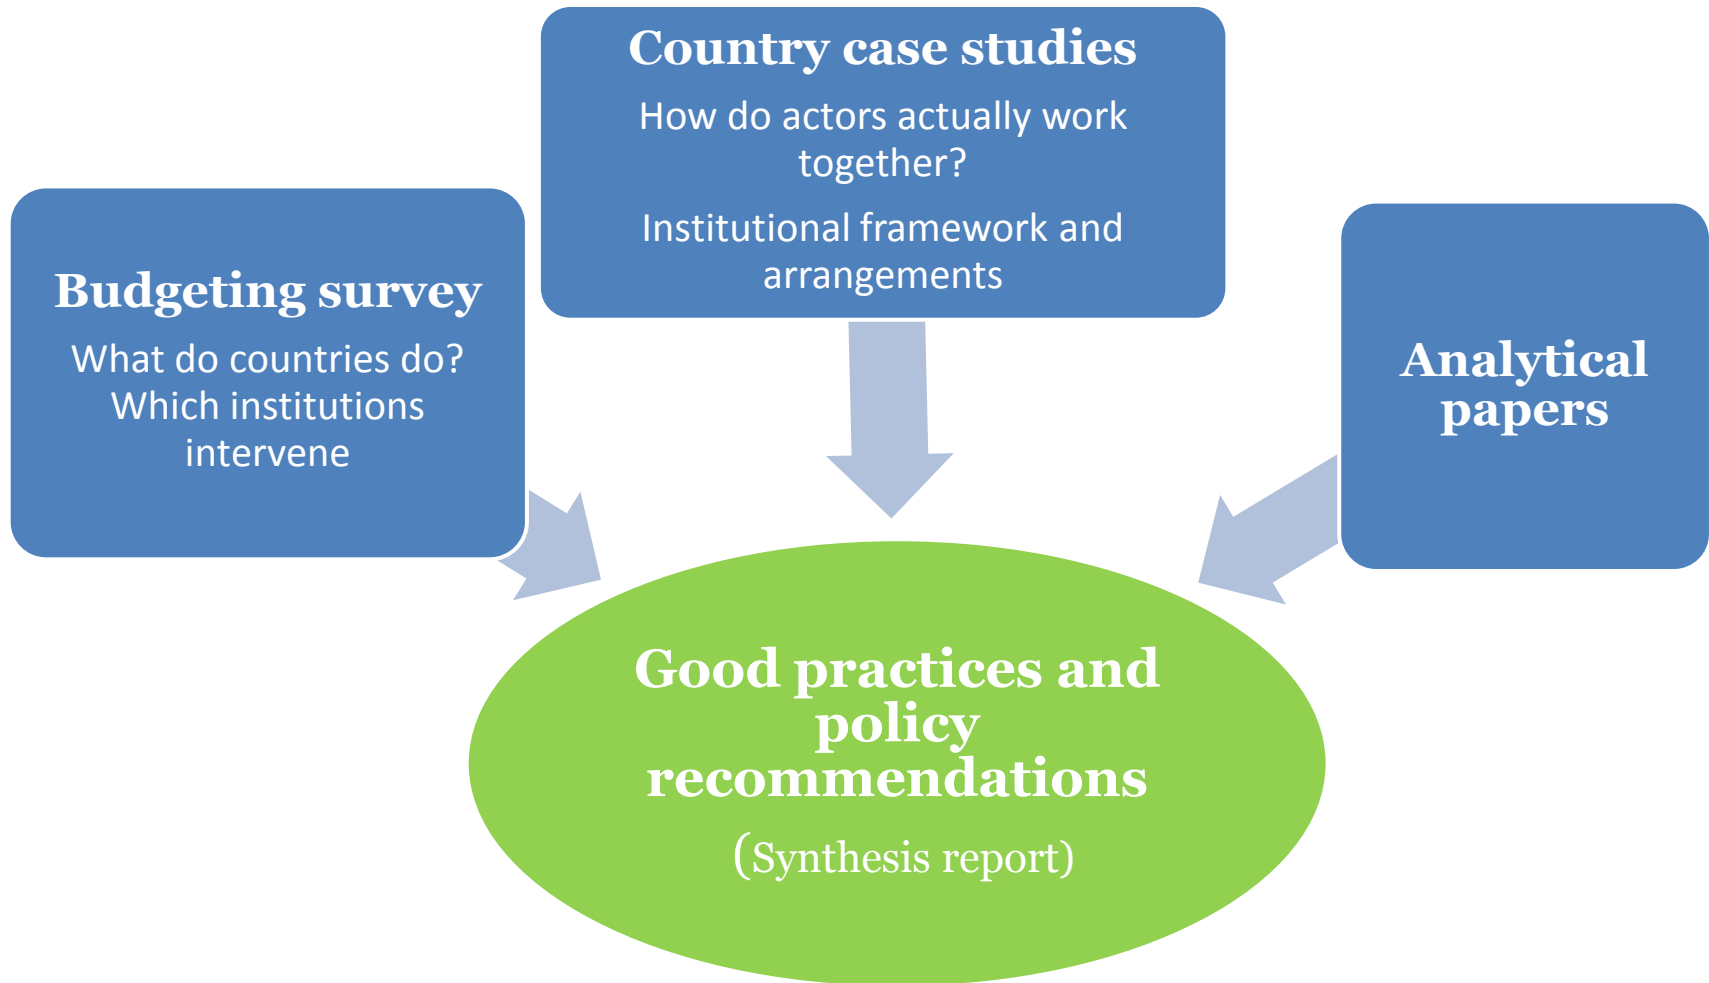

- ✓ Surveys
- ✓ Case studies
- ✓ Working papers

➤ **Produce a synthesis report *(if sufficient funding)***

- ✓ Key findings of the elements above
- ✓ Good practices and policy recommendations

Synthesis report: Objective and methodology

Proposed roadmap

1. Finalisation of French and Dutch case studies (May 2013)
2. Survey of health budgeting practices (May-September 2013)
3. 3rd Annual Meeting (March 2014)

Proposed additional output:

1. Carry out 5 to 10 case studies (May 2013-May 2014)
2. *Workshop (Fall 2013) - tbc*
3. Intermediary synthesis report (March 2014)
4. Final publication (Fall 2014)
5. High level meeting (Fall 2014)

THANK YOU
