

Public Procurement responses to COVID-19: Lessons and experiences from countries

Heehoon Kang

*Director of International Co-operation Division
Public Procurement Service*

“Three Cs were important in the response to the pandemic: Centralised procurement for efficiency, Collaboration with other ministries, and a Cutting-edge e-procurement system.”

PPS Response to COVID-19 Pandemic

- **Publish the Emergency Procurement Guideline to ensure timely procurement**
- **Promote prompt procurement through MAS (FA) and Online Shopping Mall**
- **Stabilize domestic face mask supply and distribution**

Lessons Learned

- **Centralized authority with contracting experience in urgent situation**
- **Digitalized end-to-end procurement process**
- **Government-wide collaboration with various specialized fields**
