# <Green Triangle>

A diagram shaped like a classical building. At the top is a triangle with the text "Green Triangle" inside. Below the triangle is a thick horizontal bar. Underneath this bar are four vertical columns, each representing a pillar. From left to right, the pillars are labeled: "Agenda Setting", "National Leadership", "Me-First Spirit and Action", and "Coalition of Like-Minded Groups". At the base of the pillars is a series of four horizontal bars of increasing thickness, with the text "Green Growth" centered across them.
