DE IGUALDAD

1. Not that long ago...
2. The Establishment of Legal Equality: The transition to democracy in Spain
3. The distance between the legal and the real situation
4. New Strategies
  1. Mainstreaming
  2. Positive actions
5. Spanish Legal framework for Gender Equality
  1. Constitutional Act For the Effective Equality between women and men (2007)
  2. Constitutional Act on Measures for Comprehensive Protection against Gender Violence (2004)
  3. Constitutional Act on sexual and reproductive Health and voluntary interruption of pregnancy (2010)
  4. And more...
6. Lessons learnt and new challenges.
