6. WORKSHOP ON GENDER EQUALITY, CLIMATE CHANGE AND GREEN GROWTH – AN INTRODUCTION

- Alyson Brody, Manager, BRIDGE and Senior Gender Convenor, Institute of Development Studies, University of Sussex

20h00  Dinner – venue to be advised
Objectives:
The primary objective of the workshop is to increase members’ understanding of issues related to climate change and green growth in developing countries so that they can better advise on the gender equality/women’s empowerment dimensions of agency approaches to these issues. The workshop also aims to:

- Introduce members to key issues and concepts such as climate change financing; adaptation and mitigation; and, green growth.
- Equip members to engage with their colleagues who are responsible for these issues.
- Facilitate learning on Rio+20 and global processes and negotiations related to climate change and assist members to identify strategies for influencing these processes.
- Share innovative policy and programming on gender equality, climate change and related issues by presenting good practice examples from donor and partner organisations in developing countries.
- Identify opportunities for follow-up work and future collaboration between GENDERNET members and partners.

The expected outcome of the workshop is to:

- Generate ideas on how to incorporate gender equality and women’s empowerment into policy, programming and funding for climate change and green growth.

Members are invited to prepare for the workshop by:

- Liaising with your colleagues working on climate change and green growth issues to become informed about your agency’s priorities and approaches to these issues.
- Seeking out “good practices” to share with GENDERNET colleagues.
