A MyOECD account is required to access the workshop protected webpage. Instructions on how to register are available here <http://www.oecd.org/oecddirect/>.

How to create a new MyOECD account

If you do not have an account yet, you can create one via <https://login.oecd.org>. Click on “Create Account” (right side of the screenshot above) and follow the instructions provided.

The screenshot shows the MyOECD login page. At the top left is the OECD logo with the tagline 'BETTER POLICIES FOR BETTER LIVES'. The language is set to 'French'. The page is divided into two main sections: 'Already registered?' and 'First visit?'. The 'Already registered?' section contains a login form with 'Login' and 'Password' input fields, a 'Sign in' button, and links for 'Help' and 'Reset password'. The 'First visit?' section contains a paragraph of text explaining the benefits of creating an account, followed by the 'OECDdirect' logo and a 'Create Account' button. A red arrow points from the text to the 'Create Account' button, which is also highlighted with a red box.
