## BULK DOWNLOADS OF DATA FROM OECD.STAT ^(OECD ONLINE DISSEMINATION FORMAT)

The OECD.Stat tool enables to access data in ready-to-use files (e.g. in Excel or text formats).

From the database page, go to "Export" ++ "Related files" on the horizontal bar in the top menu.

For customised downloads, use "Customise" ++ "Layout" on the horizontal bar in the top menu.

Dimensions of the dataset can be pre-selected going to "Customise" ++ "Selection".
