

Jurisdiction's name:	SPAIN		
Information on Tax Identification Numbers			
Section I – TIN Description			
<p>Spain issues TINs, which are reported on official documents of identification.</p> <p>TIN in Spain is unique for tax and customs purposes and contains nine characters, the last of them is a letter for control (Natural persons) or a control character (Non - natural persons).</p> <p>Natural persons of Spanish nationality: Generally, the TIN is the number on your National Identity Card, issued by the Ministry of Internal Affairs (General Directorate of Police). The Tax Administration will provide Spanish natural persons who are not obliged to possess a National Identity Card (DNI) with a Tax Identification Number (TIN) starting with an L (non-resident Spaniards) or a K (resident Spaniards under the age of 14 years), upon request.</p> <p>Natural persons without Spanish nationality: Generally, their Tax Identification Number (TIN) is the Foreigners' Identification Number (NIE), likewise issued by the Ministry of Internal Affairs. Natural persons without Spanish nationality who do not possess a Foreigners' Identification Number (NIE) but need a Tax Identification Number (TIN) because they are going to engage in transactions involving Spanish taxation can obtain a Tax Identification Number starting with the letter M, that will have a transitory nature, until they obtain a Foreigners' Identification Number (NIE), where appropriate, also issued by the Tax Administration.</p> <p>Concerning the entities, they are obliged to obtain a TIN, which is issued by the Tax Administration.</p>
