e.	<ul style="list-style-type: none"> Are statistics relating to bilateral APAs publicly available? 	Yes	The names of countries with whom bilateral APAs have been concluded are published.	http://www.classic.ird.govt.nz/international/business/transfer-pricing/transfer-pricing/practice/transfer-pricing-practice-apas.html
3.	Is training provided to your officials involved in the auditing/examination of taxpayers to ensure that any assessments made by them are in accordance with the provisions of your tax treaties?	Yes	Inland Revenue employs a number of subject matter experts, including technical specialists that focus solely on transfer pricing and international tax matters. These specialists provide advice and assistance to our auditors/examiners to ensure assessments are in accordance with OECD Transfer Pricing Guidelines and New Zealand’s double taxation agreements.	http://www.classic.ird.govt.nz/international/business/transfer-pricing/transfer-pricing/practice/transfer-pricing-practice-apas.html
4.	Is other information available on preventing tax treaty-related disputes?	Yes	A comprehensive series of Practice Notes on transfer pricing issues is published on the Inland Revenue website.	-

Notes:

1. An APA is an “arrangement that determines, in advance of controlled transactions, an appropriate set of criteria (e.g. method, comparables and appropriate adjustments thereto, critical assumptions as to future events) for the determination of the transfer pricing for those transactions over a fixed period of time”. (see definition of APA in the *OECD Transfer Pricing Guidelines for Multinational Enterprises and Tax Administrations* (“Transfer Pricing Guidelines”).

2. Situations may arise in which the issues resolved through an APA are relevant with respect to previous filed tax years not included within the original scope of the APA. The concept of “roll-back” is further elaborated in paragraph 4.136 of Section F (Advance pricing arrangement) of Chapter IV of the Transfer Pricing Guidelines and in paragraph 69 of Section D.4.2 (Possible retrospective application (“Roll back”)) of the Annex to Chapter IV (Guidelines for Conducting Advance Pricing Arrangements under the Mutual Agreement Procedure (“MAP APAs”)) of the Transfer Pricing Guidelines. Simply put, the “roll-back” of the APA is understood to mean that the outcome of the APA is applied to previous filed tax years not included within the original scope of the APA.
