

# NDI and collaboration with government and private partners enable seamless and personalised services for taxpayers in Singapore

**INDIVIDUALS – “No-Filing Service” (i.e. auto-computed tax bill) for majority of individual taxpayers**

*Illustration: Data received from other agencies and partners:*

\* Compulsory comprehensive savings and pension plan for Singaporeans & permanent residents

**Whole-of-Government Joined-up Effort**

IRAS contributing information (e.g. Notice of Assessment)

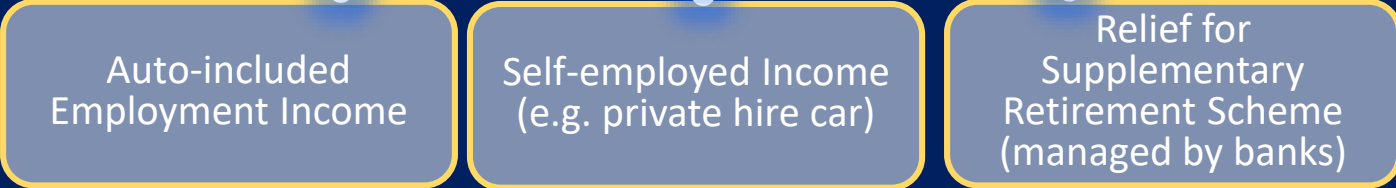

with Taxpayer's consent

**MyInfo**

Digital profile of demographic & other key data tied to each unique NDI

**Companies / Banks (through link-ups and APIs-integrated Payroll software)**

## Seamless Form-Filling using MyInfo

*Sample digital services use cases*

**Government Services adopting “Tell Us Once” approach:**

- Housing application
- National Skills Development Services
- Work permit transactions for domestic helpers

**Private Organisations:**

- Bank-related application (e.g. opening account, loan)
- Insurance Purchase
- Internet application
