

Tax Administration 2024

Comparative Information on OECD and Other Advanced and Emerging Economies

The information in this document relates to Fiscal Year 2022 and is based on the OECD report *Tax Administration 2024: Comparative Information on OECD and Other Advanced and Emerging Economies* (TAS 2024), data for which has been provided by participating tax administrations through the International Survey on Revenue Administration (ISORA). The report provides internationally comparative data on aspects of tax systems and their administration in 58 OECD and other advanced and emerging economies. For the definitions of the terms used, please consult TAS 2024.

Estonia (EST)
