9TH. LAC FORUM ON FISCAL POLICY

LIMA, 5 AND 6 OF NOVEMBER 2019

LIMA - PERÚ

LOGISTIC NOTE

# Welcome to Lima!

Peru, land of the Incas and other ancient cultures, is a country full of diverse traditions, with a marvellous geography composed by three natural regions: coast, mountains and jungle. Our country is characterized for having a privileged gastronomy, inherited from the wit of our ancestors and the melting pot of cultures that identify us.

Lima, our capital, is situated in the central coast, at shores of the Pacific Ocean, is flanked by the coastal desert and spreads over the valleys of the Lurín, Chillón and Rímac rivers. It was founded by the Spanish as the City of Kings in 1535 and is the cradle of the Caral civilisation, which, with more than 5,000 years of age, is the oldest civilisation of the American continent.

Currently, our capital concentrates numerous hotels, restaurants, malls, art galleries, cafes, casinos, night shows, bars and clubs, making it a city that stands out for its modernity.

Following, you will find information about the meeting that we are pleased to hold in our city, as well as some facts and useful advice.

We wish you a pleasant stay in Lima.

## Enjoy it.
