Schedule of Round 2 peer reviews 2016-2024

Last update: April 2021

The initial Schedule of Round 2 Reviews on the implementation of the standard of transparency and exchange of information on request (EOIR) was adopted by the Global Forum in October 2015. The Schedule requires adjustments from time to time to take account of circumstances as they arise. The present note includes the latest amendments made in April 2021, with postponements of reviews mainly due to the COVID-19 crisis, and with the scheduling of the review of the latest member having joined the Global Forum, Belarus, in three years.

The present Schedule of Reviews indicates the quarter during which the Round 2 review of each jurisdiction will start. The review process lasts for about one year. Review reports are discussed and approved by the Peer Review Group, and are finally adopted by all Global Forum members.
