

Train the Trainer

Objective

Launched in 2021, **Train the Trainer** seeks to:

- **create and support a highly skilled network of local trainers** on the exchange of information (EOI) for tax purposes
- **sustain the EOI capability within tax administrations**

Offered in **6 regions**:

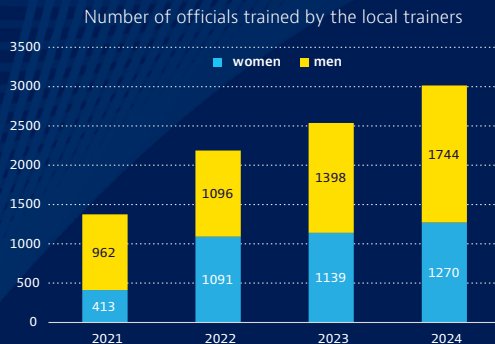

- Africa
- Asia
- Caribbean
- Central & Eastern Europe
- Latin America
- Middle East

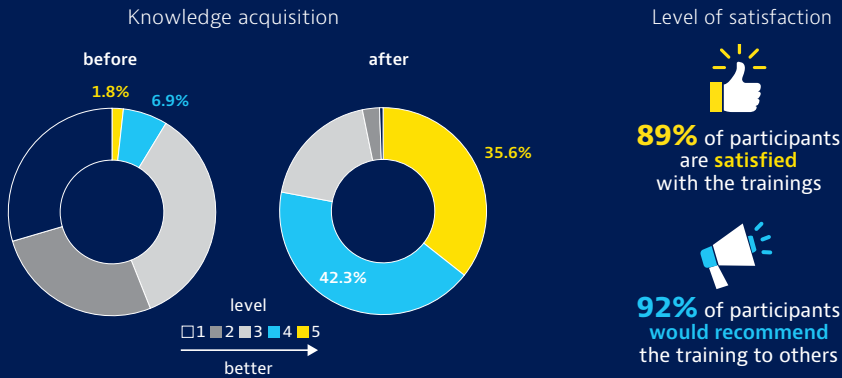

1 local trainer = **46** tax officials trained

Impact (2021-2024)

- **67** jurisdictions developed in-house EOI training resource
- **200** tax officials trained as EOI trainers held **275** local trainings
- **9 113** tax officials trained by the local trainers, including **43% female officials**

Knowledge acquisition and programme rating

Figures refer to knowledge acquisition and level of satisfaction following local trainings organised by the 200 Train the Trainer participants
