

## Train the Trainer

### Objective

Launched in 2021, **Train the Trainer** seeks to:

- **create and support a highly skilled network of local trainers** on the exchange of information (EOI) for tax purposes
- **sustain the EOI capability within tax administrations**

Offered in **5 regions**:

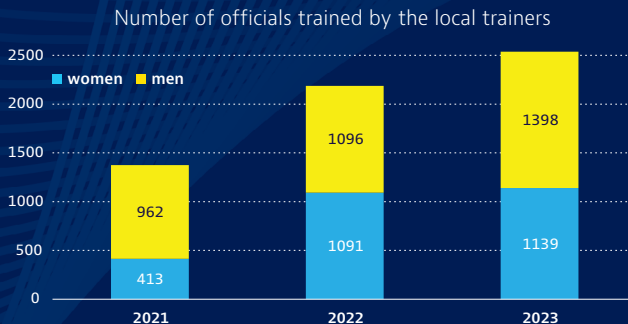

- Africa
- Asia
- Central & Eastern Europe
- Latin America
- Middle East

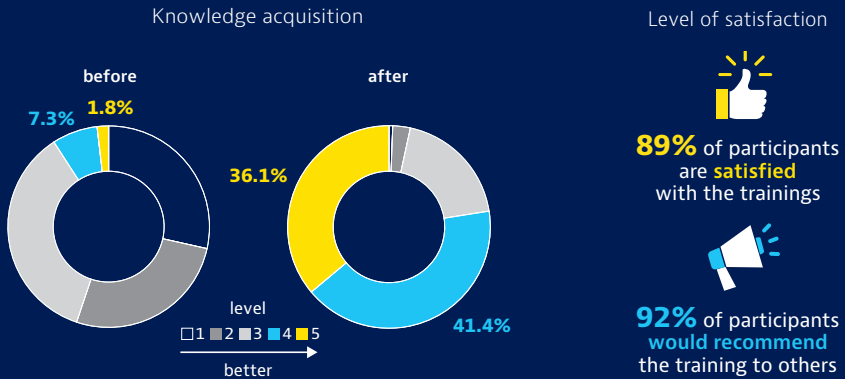

**1** local trainer = **32** tax officials trained

### Impact (2021-2023)

- **65** jurisdictions developed in-house EOI training resource
- **186** tax officials trained as EOI trainers held **166** local trainings
- **6 100** tax officials trained by the local trainers, including **43% female officials**

## Knowledge acquisition and programme rating

Figures refer to knowledge acquisition and level of satisfaction following local trainings organised by the 186 Train the Trainer participants

## Train the Trainer at a glance

An intensive 9-month programme
