Type of arbitration process

The “final offer” arbitration process (otherwise known as “last best offer” arbitration) will apply as the default type of arbitration process to Curaçao's Covered Tax Agreements except to the extent that competent authorities mutually agree on different rules or except where other Contracting Jurisdictions have reserved their right to adopt the “independent opinion” approach as the default type of arbitration process pursuant to Article 23(2) of the MLI.

Competent authority agreements and entry into effect of Part VI

Competent authority agreements:

Part VI of the MLI will not apply to any of Curaçao's listed agreements at this stage. Therefore, Curaçao is not required to conclude a competent authority agreement for Part VI of the MLI.

Entry into effect of Part VI of the MLI:

Article 36 of the MLI governs the entry into effect of the provisions of Part VI of the MLI with respect to:

- *cases presented to the competent authority of a Contracting Jurisdiction on or after the later of the dates on which the MLI enters into force for each of the Contracting Jurisdictions; and,*
- *cases presented to the competent authority of a Contracting Jurisdiction prior to the later of the dates on which the MLI enters into force for each of the Contracting Jurisdictions.*
